

Cannon Club October Newsletter

from Board Chair Chuck Freyer

Friends,

Cannon Dial Elm Club is off to a great start yet again this year. We have over 215 active members, making for a very full house. With as many varsity athletes as we have at Cannon, including all 5 football co-captains, our kitchen is serving on average 2 plates per member at lunch and dinner. Big bodies need lots of good food, and our kitchen dishes it up day after day.

Give our kitchen a test! Come back to HOMECOMING ON NOVEMBER 2. The club will be open and serving a great hot buffet after the game, along with cold beer and other drinks, in the Red Bar and Tap Room. Several Board members will present our plans for the expansion of the club at about 5 PM in the Tap room. Don't miss our exciting news that reflects our commitment to continuing to provide the best club experience on the Street to our members!! Hard as it is to believe, Cannon Dial Elm is now celebrating 12 years of successful operation since our reopening in 2011, and it's time to refresh several elements of the club, and replace our worn out kitchen equipment.

Meet the Officers, continued!

As in other recent Newsletters, I again attach video greetings from several of our outstanding undergraduate officers so you get a better idea of the members we attract. This time we have [Lucca Fulkerson](#), our Activities Chair and Cross Country and middle distance runner and [David Xie](#), the IM Chair and PSIP participant. Take a minute to get to know them.

For a summary of Cannon's athletic achievements this fall, visit our [website](#) and read the report there by club Vice President Mia Coene. Note the report on John Mack, Princeton's AD, being inducted as the first Honorary member of Cannon Dial Elm since our reopening. Going forward, we will plan to induct at least one notable friend of Cannon as an honorary member each year, with the inductees selected by a vote of the membership.

I really hope to see many of you for good food, cold drinks and the chance to renew old friendships and make new ones after the game. Join us, and please don't leave before hearing about our plans for the future of Cannon Dial Elm Club around 5PM.

All my best,

A handwritten signature in black ink, appearing to be 'CF' or similar initials.

Chuck Freyer '69
