

Reunions 2026

CANNON DIAL ELM CLUB

What a (Wet) Weekend!

Friends,

It was wonderful to see so many of you back for Reunions 2026. The P-rade was soggy, but it did not dampen the party that followed at Cannon Dial Elm. The Club was packed with wall-to-wall alumni. We rocked into the early morning hours, celebrating old and new friends and the Men's Lacrosse team bringing home the NCAA National Champion trophy! Check out their and our other member/ athletes' spring successes [here](#).

Thankfully, the sun shone on graduation for our Class of 2026 members, and the buffet at Cannon honoring them and their families was well attended, with bittersweet partings.

Of Whom We are Proud

The Class of '26 has been remarkable in many ways. Their energy, commitment, and enthusiasm have led to success in the classroom; on campus; on the field: and, of course, at the Club. Of note:

- The Club's Activities Chair, **Caroline Kane**, was one of the 8 recipients of the [Spirit of Princeton Award](#).
- Athlete **Beth Yeager** (field hockey) won the **C. Otto Von Kienbusch Award** for top Student-Athlete / Women's Program.
- **Shea Green** (Javelin) won the **Chris Sailer Leadership Award** for Exceptional Leadership & Commitment to Serving Others and just punched her ticket to NCAA Track & Field finals in Eugene, Oregon.
- **Jaden Wedderburn** (football) won the **Art Lane '34 Award** for Service to Sport & Society.
- And, then there is **Zavier Foster** (pictured at right). You could not have missed his contribution if you were on campus last weekend. He designed the [Class of 2026 Jacket](#)!

Leadership continues post grad, too:

- **AJ Chen '21** (men's volleyball) won the **PVC Honorary Lifetime Award** that honors the Young Alum whose service since graduation has made a positive impact.
- We've welcomed our newest Trustees to the Graduate Board: **Joe Goss '14**, **Donovan Coronado '21**, **Shannon Griffin '22**, **Dave Hoffman '22** as well as the Class of '26 Young Alumni Trustee, **Conor McKenna** who was a superb Bicker Chair.
- **Jessie Harris '20** and **Taylor Hyland '26** will join the Advisory Board starting in September.

Construction has started!

Bright and early in the morning on Tuesday after Reunions weekend, fencing went up and renovation construction at Cannon Dial Elm began. We had hoped to start in April, but bureaucratic delays at the Town of Princeton delayed the issuance of building permits. Notwithstanding those delays, the contractor assures us that we will finish the kitchen and serving area in time for the return of students in September — unless we have a summer with unusual amounts of rain. So, keep your fingers crossed for a dry summer in the East this year. The new dining space will likely need a little more time to finish, but we expect to be fully operational by mid-Fall, with a 50% larger dining room capacity than we have now.

You've Left Your Mark!

Thanks so much to each of the several hundred alumni who donated to the **Thrive in '25** campaign over the last year. It would not have been possible without your support. This project will set Cannon Dial Elm up for success over the foreseeable future, THANKS TO YOU!! So please come back next year and see what your gifts have made possible.
